## Tips for Winterizing your home.

Winterizing isn't just for the outside, check the inside for gaps in the windowsill and caulk around them.

Cover your outside faucets, and exposed pipes you can use towels if you don't have the insulated covers.

Have your heater serviced, it can help with keeping the inside pipes warm.

Our next meeting will be on March 2, 2024, at 10:00 AM this will be the annual meeting.

**WE NEED YOU!!!** to get involved in the community consider joining the water board, Send in your resumes. Positions that are up for re-election are Vice President, Treasurer, and 3 members at large. All resumes need to be turned in by mid December so we can get the ballots out on time. We appreciate everyone.
