Tips for Water Conversation at Home

As much as 80% of domestic water usage occurs outside the home on lawns and gardens. Adjust your irrigation timer, most efficient time to water is in the morning or late evenings.

Avoid installing ornamental water features unless the water is recycled.

With the extreme heat and dry weather keep an eye out around your house for greener areas which could indicate a possible water leak.

Use a broom or blower to clean your sidewalks and driveways, don't waste gallons of water by rinsing off dead grass and leaves.

Our next meeting will be held on October 7, 2023, at 10:00 AM. The meeting will be held at Community Building. All residents are encouraged and welcome to attend.

Be on the lookout for an updated website.

When mailing your payments please use the **472 Barbara** address, as shown below. Physical location is 107 Lake Drive Somerville Tx 77879, if you choose to drop it off.

If you would like your invoice emailed each month, please send an email to bcrwsc@aol.com to let Anita know and include your account number.
