Tips for Water Conversation at Home.

Keep a bucket beside your house and catch rainwater to water your plants and garden.

Keep a gallon of drinking water in the fridge, instead of running the tap.

Install an instant water heater at your sink so you don't have to run the water until it is hot.

Use a water sense shower head, they can save you up to 750 gallons a month.

Our next meeting will be on March 2, 2024, at 10:00 AM this will be the annual meeting.

If you want to be involved in the community, consider joining the water board. Positions that are up for re-election are Vice President, Treasurer, and 3 members at large.

Starting February 1st 2024 the base rate for water will be going up from the current rate of \$58.35 to \$59.35, this is to cover utilities and meter rates.

Save Texas Water

When mailing your payments please use the **472 Barbara** address, as shown below. Physical location is 107 Lake Drive Somerville Tx 77879, if you choose to drop it off.

If you would like your invoice emailed each month, please send an email to bcrwsc@aol.com to let Anita know and include your account number.
