Save Texas Water

Cover pipes prepare for cold.

Winterizing isn't just for the outside, check the inside for gaps in the windowsill and caulk around them.

Let the cold-water drip from a faucet that is served by exposed pipes. Running water through the pipe—even at a trickle—helps prevent pipes from freezing.

Our next meeting will be on March 2, 2024, at 10:00 AM this will be the annual meeting.

WE NEED YOU!!!

make sure you come vote in person or mail in your proxy vote, or your absentee/early voting forms, your input means a lot to this community on who is representing you. Please make sure they are received no later than February 15, 2024.

Neighborhood News

Post Oak Savannah is offering classes for rainwater harvesting on 1-26-24 @1:00-3:00 and 5-2-24 from 9-1, classes are free.

****Starting February 1st 2024, the base rate for water will be going up from the current rate of \$58.35 to \$59.35, this is to cover utilities and meter rates****

if you would like your invoice emailed each month, please send an email to bcrwsc@aol.com to let Anita know and include your account number.
