Board Members

President

Ray Jahn

Vice President

Alan Claxton

Treasurer

John Brahm

Secretary

DeeDee Stevens

Members at Large

Carissa Reed

Lori Eilers

Mary Porter

Water Conservation is the practice of using water efficiently to reduce unnecessary water usage.

Turn off the tap, for every minute the faucet runs two gallons of water are used.

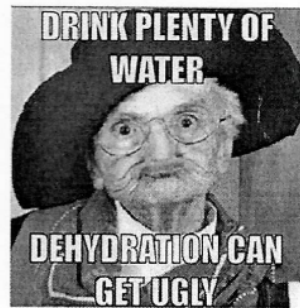

Garbage disposals use a lot of water, and they also add a considerable amount of solids to your septic. Compost instead.

Wash fruits and vegetables in a pot of water instead of running water over them, and then use the pot of water to water your plants.

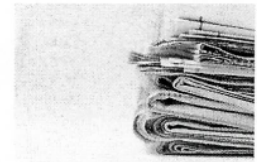

Next Meeting Date:
8-3-2024 @ 10:00
AM to vote on the By-Laws

Its summertime so...

Neighborhood News
